

Powers Ferry Road Bridge Replacement Project Public Information Meeting

The City of Atlanta Department of Public Works continues to implement citywide community improvement projects as part of the \$150M Quality of Life Bond Program! Mid September 2007 we will begin construction on the Powers Ferry Road Bridge Replacement Project. Improvements will include the installation of a 2 lane structure with sidewalks, and bicycle-friendly paved shoulders. The roadway is expected to reopen to traffic by April 2008. All vehicle traffic will be rerouted during construction. However, pedestrian access will be maintained for the duration of the project. Please join us for the
